

**SEK-CAP Transportation Services**  
Scheduling Procedure  
(Hearing/Vision Impaired Customers – Language Barriers)

Prospective transportation passengers with vision or hearing impairments may contact SEK-CAP through text messaging at:

**620.724.0136**

As well, prospective passengers who are not English speaking may contact us through a translation service and they may speak directly to our scheduler at:

**620.724.8204 and extension 1056**

Attached are instructions for the 711 Kansas/Hamilton Relay service. Individuals accessing this service should use the text number:

**620.724.0136.**

Any questions or concerns about this direct service to the general public through SEK-CAP, may contact:

Jim Dockers, Director  
Transportation Services/Annex Operations  
620.724.8204 - extension 1024
